

BARNSTAPLE TOWN COUNCIL
MANAGEMENT OF INTERNAL CONTROL SYSTEMS.

The Town Council will ensure a robust level of corporate governance by a series of tests and evaluations carried out by elected members of the council, the Town Clerk and the Finance Officer, and by the promotion of good practice amongst both councillors and staff.

The Corporate Governance Working Party has responsibility for the overview of the Town Council's corporate governance and the management of internal control

GENERAL

The Town Council is comprised of 24 councillors and delegates its powers, with the exception of setting the Precept and authorising any borrowing, to six standing committees:- Buildings Review, Planning & Transportation, Environment, Staff, Heritage Culture & Community, and Finance & General Purposes.

The Council has appointed a Corporate Governance Working Party whose remit is to scrutinise Council policies and procedures and make recommendations on any amendments or changes required to ensure that systems of internal control remain robust and fit for purpose. The Working Party reports to its parent committee, Finance & General Purposes.

The principal internal control measures can be defined as

- Financial management
- Risk management
- Decision making process

This policy has been written under the guidance of "The Corporate Governance Practitioners' Checklist" published by SLCC. (Jan 2006)
